Hi Everyone,

We frequently encounter quality of life problems at recycling centers. My colleague, Vanessa Alvarado is hosting a training on October 12th to insure that owners stay in compliance with all applicable laws. If you are familiar with any recycling centers in your district, please pass on the information.

Thanks,

Andrew

Folks,

I'm putting together a Recycling Center/Pallet Yard Operators training with Bureau of Street Services (LADBS said they would be available in 2018) and SLOs from Newton on October 12, 2017 at 7:00 a.m.

Attached is a flyer for the training. It is being held early in the

morning in order to accommodate the operators. Please pass on to your SLOs if they are interested in promoting it with any of their problem operators. This will be our first attempt at this kind of training. I'm excited to get it off the ground.

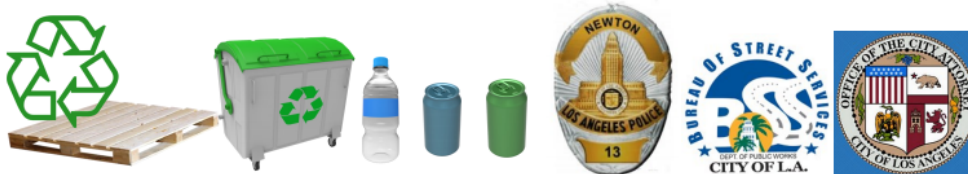

Thanks,
Vanessa
